SECTION 4 – SELF-ASSESSMENT FINDINGS

(Safeguarding Program Office Use Only)

Strengths:

Implementation progress has been made on the required NCSS indicator and mostly embedded. Issues have been identified which represent procedural weaknesses and improvement opportunities. The parish has demonstrated a commitment to support the health, safety and well-being of children and Adult at Risks in the church community.

Weaknesses:

Gaps have been identified resulting in non-conformance with the Standards. Mitigation actions (via the Standards Action Plan) are required to be developed and initiated as soon as practical.

For Priority 1 (if any), expected resolution is within 3 months.

For Priority 2 (if any), expected remediation is within 3-6 months.

For Priority 3, expected resolution is within 6-9 months.
